

DESIGNER RADIATORS

[Hot Spring]

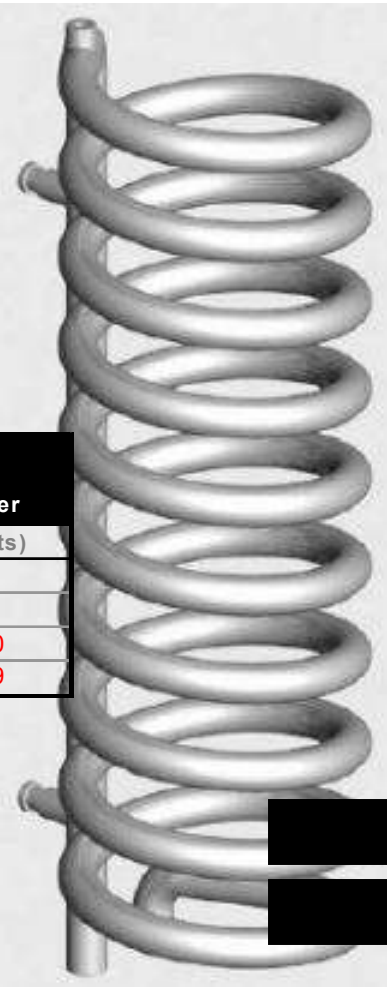

The Hot Spring is a unique radiator in itself. Reflecting patterns and points of light, the dramatic shape gives an impression of movement. This revolutionary design creates an impact that is guaranteed to provide the talking point for any creative interior. Nothing looks less like a radiator. (Heat output reduced by 20% on chrome models) Designed by Priestman Goode & manufactured in Italy - Now with new "Mini hot spring" sizes
