

# [ Edwardian 2 ]

**Edwardian 2** The versatile Edwardian 2 cast iron radiator combines authentic traditional styling with economy and reliability. The Edwardian 2 cast iron radiator will add charm to any room giving so much economical heat due to the solid cast iron panels between the columns amplifying the heat through the entire radiator. All our cast iron radiators are carefully hand built to your own required size and fully assembled ready for plumbing into your new or existing pipework

The maximum number of standard sections is 17 although larger sizes are supplied for on-site assembly therefore you can choose the desired length of this model .
