

# [ Gladiator ]

**Gladiator** Cast iron radiators are a popular choice for the traditional refurbishment, new build, barn or warehouse conversion. The Gladiator is a free standing radiator. Each radiator comes complete with plugs, bushes and air vent with a choice of 1/2" or 3/4" connections (1/2" supplied as standard).

Supplied in a single height of 750mm assembled Gladiator radiators can be supplied to site in lengths from 3 to 30 sections. Further sections can be assembled on site for longer finished radiators.
