

[Victorian 4]

Victorian 4 The timeless Victorian 4 cast iron radiator looks at home in any traditional style property. A superb example of the style and elegance of a bygone era, it is truly the perfect choice to complement most styles of properties. The Victorian 4 is available in 4 heights and can be supplied with the traditional wheelhead and lockshield valve set or the crosshead angled valve set to complete the authentic period finish. All our cast iron radiators are carefully hand built to your own required size and fully assembled ready for plumbing into your new or existing pipework. The Victorian 4 is supplied in cast iron sections and can be configured to fit any space or designed to achieve required heat output.
